

uality Staffing USA

March 13, 2020

To Whom It May Concern,

The bearer of this letter is employed by Quality Staffing Inc. Quality is an essential services employer in the Chicagoland area. We provide temporary labor to numerous critical infrastructure industries.

Federal and State governments have defined essential services and sectors to include "food processing, warehousing, and hotel and commercial lodging". Our employees provide essential services in these areas.

For immediate answers or should you have questions, please do not hesitate to call our office at 847-278-7688.

Sincerely,

Susan M. Akpede
Vice President
